Finding an in-home caregiver that is qualified and trustworthy can be overwhelming. Often a major medical event has occurred, and arranging for care at home is the last thing on your mind. Choosing the right caregiver is an important decision, don't settle for less.

Having a caregiver in your or your loved one's home is an important decision, a responsibility we do not treat lightly. Our job is not only to provide a compatible caregiver, but also help make a difference in your or your loved one's quality of life!

We want your experience with our home care to be positive and gladly recommend our service to your friends and family whether you use our home care for short, or long term.

Thrive Home Care is a non-medical home care service provider specializing in personalized care and companionship for seniors and individuals needing a little help getting around their home. We serve the entire Bay Area, including Alameda, Contra Costa, Santa Clara, San Mateo and San Francisco Counties.

Your **24/7** Home Care Specialist!  
*Servicing the Whole Bay Area*

Thrive Home Care was founded to help our loved ones retain their pride, dignity and independence with our full-service home care. Thrive Home Care is dedicated to serve and offer the best quality and most reliable non-medical home care services to seniors or anyone who needs extra help in the comfort of their homes. We provide care that is hourly, overnight and extended shifts with rates that are affordable and reasonable.

Our caregivers, who are registered with the CDSS, are chosen and trained to match our client's needs and protect their health, welfare, properties and belongings.

We are licensed, insured and bonded. Local and family owned; not a franchise.
